Do you have any concerns about impacts to your property? Please explain.

Do you have any concerns about construction and its effect on your property?

Do you have any concerns about the segment between W. Adams Street and Highway 34 affecting Bowling Lake Park or the trail? The project proposes drainage improvements within the park and roadway grading adjacent to the park.

Do you have any other comments or concerns that you'd like to share with the design team? (Feel free to use the back of this page.)

**Thank you for participating! Please submit your comment form by January 31 to:**
