

th
**STREET
PROJECT**

You're invited...
to a **PUBLIC
MEETING**

about the NW 48th Street roadway project

Date: Thursday, February 28, 2013

Time: 5:00 to 7:00 p.m.

Location: Arnold Elementary,
5000 Mike Scholl Street (cafeteria)

Please enter the building through Door #10 on the north side. Parking is available on the north side of the school.

Design will begin soon on Lincoln's NW 48th Street roadway improvement project. Currently a two-lane roadway, NW 48th Street will be designed as a four-lane divided road between West O Street and Highway 34. Design of the project is scheduled to start this spring and be substantially complete by the end of 2014.

Construction for the segment between West O Street and West Adams is tentatively scheduled to take place in 2015, dependent upon the right-of-way acquisition process. The segment

between West Adams and Highway 34 is not scheduled for construction at this time but preliminary design plans will be completed.

A public meeting/open house will be held to ask the public to share thoughts and concerns about the area so design engineers can incorporate public feedback from the beginning of the project.
